Chamber To Host 2nd Annual Career & College Expo
Slated for Tuesday, March 10 in the Columbia County Exhibition Center

EVANS, Ga. -- The Columbia County Chamber of Commerce, in partnership with the Columbia County Board of Education, will host the Second Annual Career and College Expo on Tuesday, March 10 at the Columbia County Exhibition Center in Grovetown.

The event, which targets area middle school and high school students and parents, gets underway at 4:00 p.m. Breakout sessions in fields such as manufacturing, healthcare, nuclear/energy, cyber and financial aid will be held throughout the evening. Last year over 3,600 area students and parents along with over 100 colleges, universities and businesses participated in the expo.

The goal of the expo is to identify clear pathways from high school to a future career, whether that includes a four-year university, a two-year degree at a technical school or trade school, or going directly into the workforce. Designed to educate both middle and high students and parents on the vast career opportunities available, this initiative aligns the educational, technical and trade sectors with businesses.

To register a student, visit http://bit.ly/2020CCE. For more information or to register a booth for your business, visit the official Career and College Expo page at www.columbiacountychamber.com/CCE or contact Events & Programs Director, Sabrina Griffin at 706-651-0018.
